

Drivers needed.

Did you know that the simple act of driving your car can help seniors in your community? There are hundreds of seniors aging in place without support and cannot get to the grocery store or a doctor's appointment.

By providing rides, you will help these seniors access basic needs, such as the need for food, medical care, preventive care, and human connection.

ARE YOU:

A non-smoker? 21 years of age or older? Have access to a safe & reliable vehicle? Looking to help seniors age in place with dignity?
